RELEVANT EXPERIENCE

WORK EXPERIENCE

ONLINE INTUITION, JAN 2004 - AUG 2005

Internship - Martinsville, VA

Assisted in web site design and development for local businesses and organizations.

Worked directly with clients to determine product needs and layouts of graphic elements.

Gained fundamental knowledge in server management and maintenance.

VISUALSMUGGLER.COM - CHRIS COLUCCI, SEP 2010

Web Master & Developer - Chicago, IL

Programmed a dynamic portfolio to showcase the clients recent motion designs.

Worked with the client to create a unique graphic identity to highlight his individualism and artistic capability.

CLASS EXPERIENCE

SOFTWARE ENGINEERING, JAN 2010 - MAY 2010

Intellectual Disabilities Agency of the New River Valley - Christiansburg, VA

Designed and developed a website to display organizational information.

Used the waterfall method of development to produce our product.

Redesigned the Intellectual Disabilities Agency of the New River Valley's graphic identity, and modified a wordpress template to incorporate the new themes.

WEB DEVELOPMENT II, AUG 2010 - DEC 2010

RU College of Science and Technology - Radford, VA

Created a dynamic event driven calendar system using PHP and MySQL

Programmed to display event information by month or by date.

Worked closely with college staff to incorporate the calendar into a pre-built web page.
